4) The amounts proposed to be written off represent the value of materials sold to several persons and treated in some cases as loans recoverable so far back as 1919-20 and previous years. These items are being carried over year after year in the Plus and Minus Memo and the need to recover or adjust them otherwise by obtaining competent sanction is being pointed out in the annual inspections

in the Plus and Minus Memo of Moveable and Immoveable
Properties since 1919-20 -

1) Sales of old materials	Rs 675 10 0
2 -do- treated as loans	204 11 7

-------	------------

1- I have the honour to enclose herewith two statements showing the details of the amounts noted above and a copy of the Trust Board Resolution No 463 dated 25th April 1945 resolving to write off the irrecoverable -- amounts

2 All steps were taken for the recovery of the amounts The Revenue Officer has reported that none of the parties are traceable and hence the amounts cannot be recovered Further, the claims are as old as 23 years and are also time barred There seems to be no possibility of recovering these amounts The Comptroller to the Government of Mysore has been urging for the adjusting or write off of these two amounts

3 Under the above circumstances, I request that the orders of Government may kindly be obtained to write off these amounts as being irrecoverable

4 Early orders are solicited
